

Our services

Available nationally to all public sector and charitable organisations

Building Surveying services

Bloom are the UK's exclusive operator of the NEPRO³ solution, an OJEU-compliant procurement framework which assists the UK public sector to buy and manage specialist professional services from a choice of regional and national suppliers. It allows buyers to move quickly and at the lowest possible cost, whilst achieving better outcomes.

Our accreditation covers all our core specialisms, which means clients can access all our services simply and compliantly through Bloom.
