HOLLIS

Hollis are appointed to NHG's suite of consultant frameworks that support the delivery of high-quality, value-for-money homes. The Development Consultants framework runs until 2nd June 2026 in accordance with the Public Contract Regulations, and includes for two further one-year extension options. The framework is highly regarded within the housing sector and is generally available to other registered housing providers operating in and around London. There is currently no fee or levy to registered providers for their use.
