

HOLLIS

INTRODUCING HOLLIS' CONTRACT ADMINISTRATION APP

Smarter processes. Stronger assurance.

Built-in benefits for clients

1

Quality assurance

Every certificate and document is Director-approved, ensuring precision, accountability, and peace of mind.

2

Long-term accessibility

Documents are securely stored and easily retrievable, even years later and regardless of team changes.

3

Risk mitigation

Automated reminders to multiple users help prevent missed contractual notice dates – minimising risk of claims.
